FYI and it might be worth a conversation with Janet to see if she connects with OMB.

Monica – I talked with Janet on Friday about this and she said that she would mention it to Dom the next time they talked. I will let you know if I hear anything further from her.

Subject: Uintah and Ouray (U&O) Proposed FIP

Hi Mike - I contacted Aaron Szabo, the OMB contact for the Uinta Basin FIP, late on December 15th and asked if OMB could release the proposed U&O FIP. Mr. Szabo said that his priority at this time is to work on final rule actions first. However, he did say that the revised proposed U&O FIP that Region 8 sent on December 9th was back in interagency review and there would likely be more comments. This update was given to our RA, Shaun McGrath, yesterday afternoon. I am not sure at this time if Shaun will reach out to Janet McCabe or not about OMB's likely further comments and the importance of getting this proposed rule signed.

Please keep us up to date on any conversations you all may have about this issue. Thanks.
